

## **BEST WINERY EXPERIENCE**

**BRICK BAY WINES (BRICKBAY.CO.NZ).** Just a little appalled by faux-European grandeur in the countryside? Matakana's Brick Bay is the antidote. It has an award-winning glass building (by architect Noel Lane), 2km of bush showcasing the work of around 40 sculptors — all of it for sale — lovely views, good plattered food and, oh yes, some very nice wine. Check out the Saturday farmers' market on the way there, and take your pick of beaches, golf course and cinema afterwards. A splendid day out.
